THE DISPOSABLE ALTERNATIVE TO BOWLING RENTAL SHOES

Bowling Buddies Shoe Covers are fully functional, disposable shoe covers that are designed for a single session of bowling and are intended as an alternative to the traditional rental shoe. They are also specifically designed to enhance the customer's bowling experience by giving them the comfort of bowling in their own shoes as well as providing exceptional front slide and rear friction for a perfect game.

Perfect for everyday use as well as for large parties & events, each pair is individually wrapped and available in four sizes for all your customers.
