Let your bowlers know that you are doing everything you can to keep them safe and healthy as your Center re-opens.

MICRO STRIKER

ADVANCED HOUSE BALL
AND MULTI PURPOSE CLEANER

MICRO STRIKER

INTRODUCING MICRO STRIKER, AN ADVANCED HOUSE BALL AND MULTI PURPOSE CLEANER FOR BOWLING CENTERS.

Micro Striker comes in a tablet form and mixes up fresh into a powerful cleaning solution. It contains active chlorine which is an approved cleaning agent per CDC guidelines.

The tablets are sold in 50-packs and each tablet can be used to make a 24-ounce bottle. The Starter Kit includes two continuous mist spray bottles for easy application and 50 refill tablets. Micro Striker tablets can also be used in other containers and spraying devices including electrostatic sprayers.

Why use Micro Striker?

- Has surfactants in it to help penetrate lane oil.
- All products have a shelf life. Mixing your product up fresh ensures that you have the maximum potency needed.
- Tablets help with proper dosing and ensure you have the right balance of chemicals to get the job done.
- The residue of Micro Striker is non-toxic with a neutral pH of 6
- Other products can rust stainless steel or discolor clothes.
