

COVID-19 NOTICE TO ALL GUESTS

Our top priority is keeping you safe!

We want you to Eat, Drink, Bowl, and Play worry-free and here is what we're doing to accomplish that:

- On each visit you will see our Team regularly cleaning and sanitizing all surfaces.
- Face masks are mandatory for all Team Members and recommended for guests.
- We sanitize all balls and rental shoes after use.
- We are cleaning and sanitizing all arcade games, regularly throughout the day.
- Arcade games will be spaced out, where possible, to allow social distancing practices. Some games may be inoperable during this time.
- Sanitizer stations are set up and available to our guests.
- Our guests are placed on every other lane to better allow for social distancing.
- Our amazing food and beverage menu will be available with safe-service.
- Centre capacity will be monitored closely to ensure an appropriate number of guests are in the centre at any one time.
- We are ensuring our team is safe and ready to serve.
- Our Team is always available for any questions or comments.

Despite these efforts, an inherent risk of exposure to Covid-19 exists in any public space. By visiting Splitsville, you voluntarily assume all associated risks.
